Future Church Home

Dear Friends,

Greetings. I am writing on behalf of the Stockbridge Grace Tabernacle SDA Church. As we continue with our church-building project, we keep our eyes fixed on the City of Stockbridge and for our church to be a beacon of faith, fellowship, and community support.

Our congregation is growing rapidly. Our members are eager to worship in our sanctuary as soon as possible. We have purchased a 7-acre property and are now ready to proceed with building our sanctuary and church hall to serve the community. All architectural plans and engineering permits have been approved. We are set to move forward with the infrastructure, including grading, establishing an entrance lane, and reinforcing a stormwater retention tank as part of the site preparation for our church's groundbreaking and construction.

The permit for Land Disturbance requires that site preparation begin within 90 days. Failure to meet this requirement will result in the cancellation of the permits. To complete this critical phase of the project, we urgently need 100 loads of gravel stone. We kindly request your sponsorship for **one or more loads** at \$850.00 per load.

Your contribution will greatly move this project along. The Church is a 501(c)(3) tax-exempt organization, which means all donations are tax-deductible. We would be extremely grateful for any support you can provide, whether through direct contributions or by sharing information with others who may be willing to help.

If you have any questions or would like to arrange for your donation, please feel free to contact the undersigned or the person who contacted you. Together, we can create a strong foundation—both physically and spiritually—for a place of worship that will help build the Kingdom of God and serve future generations.

Thank you for your kindness and support. May God richly bless you.

Sincerely,

Dr. Donald G King, *Senior Pastor*  
Stockbridge Grace Tabernacle SDA Church
